

Does the thought of downsizing put you in a foul mood?

Have **BOHO HOSPITALITY** take the hassle out of turning a messy nest into a Home Sweet Home.

Our downsizing specialists make moving into a smaller space more manageable **AND** profitable.

We create inviting, market-ready interiors using your personal items by:

- Culling items you no longer want or need

Let's get moving! Contact Julie at julie.bohohospitality@gmail.com and tell her you'd like a **downsizing** quote. She will ask you a few questions about your location, square footage, timeframe, and goals for your move. We'll send you an estimate outlining the services we can provide along with a workable schedule. After we receive your deposit, we'll contact you to schedule your first day of downsizing. **You pay us the remainder of our fees once you close on your home.** It's that simple.
